***FOR IMMEDIATE RELEASE***

## **Ted Doheny Joins Joy Mining Machinery**

WARRENDALE, PA, May 2006 – Edward “Ted” L. Doheny II has joined the company as Executive Vice President, Joy Global Inc, and President & COO, Joy Mining Machinery. Mr. Doheny replaces Michael W. Sutherlin who, as previously announced, has been designated to succeed Mr. John N. Hanson as President and CEO of Joy Global Inc. upon Mr. Hanson’s retirement.

The company will have an efficient and seamless transition between Mr. Doheny and Mr. Sutherlin and to ensure that outcome, Mr. Sutherlin will retain the day-to-day operational responsibility while Mr. Doheny focuses on his orientation and assimilation to the business.

Mr. Doheny has worked the past 20 years for Ingersoll-Rand Company and held a variety of senior executive positions, most recently serving as President of Industrial Technologies. He holds a Bachelors degree in Engineering from Cornell University and a Masters degree in Management from Purdue University.

###

*Joy Mining Machinery, a subsidiary of Joy Global Inc., is a global leader in the development, manufacture, distribution and service of underground mining machinery for the extraction of coal and other bedded materials.
